

Report on Missions Biography

Learning from the lives of those who have gone before us, impacting their own culture or bringing the gospel to other cultures.

- Select a **missionary** (for example: Amy Carmichael or Adoniram Judson) / **someone who impacted their own culture for Christ** (example: William Wilberforce)
- Select a **biography** to read. This can be a book. Or an extended article. But, it should be more than an short encyclopedia entry (like wikipedia). The goal is not to read 300 pages (though that would be fine), but the goal is to understand some of the story of how God worked in them and through them. Any of the biographies on the Desiring God website would be great: (<http://www.desiringgod.org/ResourceLibrary/Biographies/>).
- Read** the biography.
- Write** a brief report answering the questions below.
- Turn** in your report to Kyle Meeker by **Saturday, June 19th**.
- Earn** \$25 toward your summer mission trip.
